International Bath Corp. now offers air-jets on four of its Builder Elite Series Tubs! Take advantage of this added value and performance today!

60" x 40"

69" x 41"

59.75" x 41.75"

71.75" x 41.75"

## Air-Jet Equipped Whirlpool Tubs

- Standard Pushbutton Air System
- Standard Bottom (Not Foam Leveled)
- Standard Chrome Ports

24 strategically placed air-jets wrap your body with a gentle warm air bubble massage.

Each air-jet has a built-in valve to prevent back flow in the air passage. They remain clean and dry as no contaminated water can enter them and stagnate there.
