

Welcome to Construction Resources, Inc.

Dear Builder,

Thank you for taking the time to read this letter.

Customers like you are the reason we exist and it's our responsibility to listen to your needs and respond with the goods and services you require to compete in the marketplace. For this reason, we are proud to inform the building and remodeling industry about several new and exciting products available through Construction Resources, Inc. and its sister companies.

Atlanta Marble Mfg. has become one of the largest cultured marble and cast polymer companies in the southeast. We offer a diverse product line with competitive pricing which helps the builder distinguish his or her homes from others in the industry. We have been instrumental in introducing new ideas and product lines to the Atlanta market. These include cultured granite, cultured onyx, and the development of several new cast edge profiles, which help to distinguish our cultured products from our competition's. We also have recently added several new tub and shower pan designs to our extensive product line. Furthermore, we are proud to introduce our new Builder Elite acrylic whirlpool tubs and our Builder Elite Cultured Granite Veneer series.

Atlanta Kitchen, Inc. has quickly become a leader in the kitchen countertop arena for the Atlanta region and beyond. We are proud to announce the completion of our new Granite and Natural Stone facility as well as the expansion of our Solid Surface facility. Atlanta Kitchen maintains over 2,000 slabs of Granite and Natural Stone in our yard at all times. This inventory allows us to cut our lead times and provide builders with a wide variety of granite and natural quartz colors. We also offer quartz products such as Cambria, Silestone, Caesarsstone, and Zodiaq. Atlanta Kitchen has established itself as a top fabricator of Solid Surface Products including Corian, Staron, Hi-Macs, Avonite, and Gibraltar.

Atlanta Glass & Mirror, Inc. has become the perfect complement to our existing businesses. Atlanta Glass & Mirror is a full service provider of mirrors, shower doors, frameless glass, ventilated shelving, locks, bath hardware, vinyl shutters, closet systems, and other accessories for the home. We have an experienced staff with extensive product knowledge and the ability to customize services to meet the needs of the builder.

Atlanta Garage Doors & Fireplaces, LLC is our latest venture and specializes in turn key installation of gas fireplaces, fireplace mantels, wood burning fireplaces, fireplace surrounds as well as overhead garage doors and carriage doors. We feel Atlanta Garage Doors & Fireplaces will add another layer of service and products to our existing line of specialty offerings.

Our goal is to provide residential and commercial builders / remodelers with a "one stop" shop for his or her kitchen and bath needs. Our sales staff has the ability to provide over 50 products from the previously listed companies. This diversity allows the builders and remodelers to simplify their ordering, scheduling, and vendor process by dealing with one salesperson and company rather than four or five salespersons and several different companies.

Construction Resources, Inc. is a 38 year old company which takes pride in quality work and craftsmanship. Our Decatur, Georgia, facilities encompass over 245,000 SF of manufacturing and fabrication space. We are open Monday through Friday 8:00 a.m. to 4:00 p.m. and on Saturdays 9:00 a.m. until 3:00 p.m. Also, we are proud to announce our newest locations in Tallahassee, Florida and Birmingham, Alabama.

We invite you to stop by one of our beautiful showrooms showcasing many of our fine products. For your convenience, we have four showrooms located in Acworth, Alpharetta, Decatur, and Lake Oconee, Georgia. For more information please call 404-419-1259 or visit our website at www.constructionresourcesusa.com. Thank you for the opportunity to earn your business!

Sincerely,
