intellicore®
insulation technology

Premium Series garage doors featuring Intellicore® insulation technology represent the ultimate smart choice for homeowners. Clopay's Intellicore is a proprietary polyurethane foam that is injected into our Premium Series doors, expanding to fill the entire structure. The result is a door with incredible strength and durability. Its dense insulation also produces a quieter door, and with one of the industry's leading R-values of 18.4, it provides year-round comfort and improved energy efficiency.

WARMER
Energy efficiency provides year-round comfort

QUIETER
Dense insulation reduces noise by up to 16 decibels

STRONGER
Enhanced strength resists everyday wear and tear

PREMIUM series

Improve your home's appearance and energy efficiency with a Clopay Premium Series insulated garage door. Available with Intellicore® polyurethane or polystyrene insulation in 2" or 1-3/8" thicknesses, Premium Series models offer exceptional insulating R-values, strength and security, as well as quiet operation and a beautiful appearance. Choose from three panel styles, multiple color options and a wide range of decorative window options to create a door that fits your budget and enhances your home's curb appeal.

3-LAYER CONSTRUCTION

2" or 1-3/8" insulation provides comfort, energy efficiency and superior R-values in every season.

- Weathertight tongue-and-groove section joints help seal out wind, rain and snow.
- Replaceable bottom weatherseal in a rust-proof aluminum retainer helps prevent elements from entering garage.
- Patented Safe-T-Bracket® helps prevent serious injury that could occur if the bottom bracket were removed with the garage door closed and under tension.
- Nylon rollers are smooth and quiet.
- Galvanized steel hinges attached to backup plates are durable, reliable and secure.
- Prepainted white end stiles and interior steel backing create a clean, finished appearance.
- Inside/outside step plates and grip handles make doors easy and safe to operate.

Sandtone

Bronze

Chocolate

Mocha Brown*

Black*

Hunter Green†

Gray†

- Exterior steel on standard color doors has a natural woodgrain texture.
- Doors can be painted to match the home's exterior using a high-quality latex exterior paint. Do not use oil-based paint.

Due to the printing process, colors may vary. See your Clopay Dealer for color samples.

**Not available on Models 4050, 4051 and 4053.*
† Not available on Models 9132 and 9202.
‡ Popular in select markets, Glacier White is a brighter white.

CUSTOM PAINT OPTION

COLOR BLAST™

Color Blast™ offers more than 1,500 Sherwin-Williams® color options to complement your home. Clopay's durable factory finish has been thoroughly tested and is backed by a five-year warranty.

Model 9200, Short Elegant Panel with Optional Trenton® Window Design; Shown in Ultra-Grain® Cherry Finish

ULTRA-GRAIN® PAINT OPTION

Medium Finish

Cherry Finish

Walnut Finish

Due to the printing process, colors may vary.

Not available on Models 9130, 9133, 4050, 4053 or any flush panel door.

- Painted steel surface simulates a real stained door without the need of staining and the ongoing maintenance of wood.
- Woodgrain runs horizontal on stiles and vertical on panels for an authentic, natural look.
- Available in Medium, Cherry or Walnut finishes that complement Clopay Entry Doors, shutters and other exterior stained wood products.
- Exterior steel surface on an Ultra-Grain® painted door has a stucco texture to create a more natural woodgrain appearance.

Model 4300, Short Elegant Panel with Optional Orleans Wrought Iron Window Design; Shown in Ultra-Grain® Cherry Finish

Model 4050, Short Elegant Panel with Optional Colonial 509 Window Design

RUST-PREVENTION SYSTEM

Steel skins are protected through a tough, layered coating system, including a hot-dipped galvanized layer, a protective metal oxide pretreatment and a baked-on primer and top coat.

GREATER ENERGY EFFICIENCY

Thermal break* separates the interior from the exterior skin to improve energy efficiency and comfort.

**Thermal break is not present on Models 4050, 4051 and 4053.*

A FOCUS ON *green*

Clopay is committed to designing, manufacturing and distributing garage doors that enhance the beauty, safety and value of your home while minimizing the impact on the environment.

The Premium Series helps conserve natural resources by providing a durable, reliable, low-maintenance, energy efficient door with environmentally safe insulation. Steel doors and hardware are impervious to moisture and will not rot, warp, crack or fade, and the steel used in Clopay's doors is made from over 75% recycled content. All Clopay doors are made in the U.S., minimizing shipping, damage and handling. For more details on Clopay's green practices, visit our website at ***clopaydoor.com/green.aspx***

Windows

Inspired by current architectural trends, our windows add natural light to your garage while adding curb appeal to your home. All Clopay window frames are UV-protected and are color matched to our prefinished door colors. Window frames screw in from the inside for easy glass replacement or to change designs.

DECORATIVE WINDOWS

Available in short or long panel designs, Clopay's decorative windows are created to complement many home styles.
