### WHO IS CR?

Construction Resources' Multi-Family Division (formerly National Stoneworks) is the largest manufacturer and installer of countertops for the multi-family, hospitality and healthcare industries. For 45 years, we have been the preferred partner for prestigious developers and contractors in the Southeast. Our years of experience in the construction industry provides us with the proven ability to offer our customers expertise with engineering, drafting, fabrication and installation.

We provide excellent service and professionalism and are fully bondable and insured.

As a division of Construction Resources, we have a long-standing history for being first-in-class and are a part of a reputable network of 30 locations across five states, with more than 700 employees.
