Commercial stain protection

1-Year

Outdoor stain protection

Administered by Stone Mountain Protect™

The beauty of natural stone with true peace of mind.
STONETECH® BulletProof® Sealer protects your
natural stone countertop investment.

Globally Proven Construction Solutions

STONETECH® Countertop Warranty

Countertops are under daily assault from regular household stains. A simple red wine spill or a drop of olive oil can permanently stain granite or marble. However, treated properly your **investment will last a lifetime.**

The protection **STONETECH® BulletProof® Sealer** offers is unparalleled. Your countertops will be treated with a revolutionary premium penetrating sealer that delivers maximum stain and **Microban™ antimicrobial product protection.** A water-based sealer that makes cleaning the stone easier.

Your countertop will also be protected by an industry-leading **35-year residential or 15-year commercial, fully transferable warranty.**

Every piece of natural stone is unique. Keep yours looking as beautiful as the day it was installed with STONETECH products.

Industry Leading Stain Protection

The STONETECH® BulletProof® Sealer provides your natural stone project an **invisible layer of powerful protection**.

- **Repels common household stains**, including coffee, red wine, ketchup, mustard, cooking oil, soy sauce, and common household food and beverages.
- **Offers maximum protection** against the toughest oil and water based stains.
- **Inhibits the growth of bacteria**, mold and mildew on surfaces.*

*Antimicrobial technology is not designed to protect users against disease causing microorganisms. Normal cleaning practices should be maintained.

A Comprehensive Protection Program

- STONETECH® BulletProof® Sealer is the highest performing product of its kind.
- Created specifically to preserve the beauty of natural stone.

In addition to protecting your countertops against stains, STONETECH BulletProof Sealer is infused with Microban® antimicrobial protection to prevent the continuous growth of stain and odor causing bacteria. It is also water based, helping you keep your home — and your environment — free of solvent-based chemicals.

Peace of Mind

STONETECH® has one of the industry's best warranties.

- 35-year, fully transferable **residential** countertop warranty
- 15-year **commercial and industrial** countertop warranty
- **Guaranteed stain protection** from common household food and beverages; however, etching and watermarks are not covered
- Covers **granite, marble, select quartzite and basalt** options for countertops
- Covers replacement labor and materials
- 1-year outdoor countertop warranty on select granite options
- Warranty transfers with the title of the property; no limitations

The STONETECH BulletProof Sealer is installed by **certified professionals**, giving you absolute peace of mind.

The Best Way to Protect Your Investment

Protect the beauty of your natural stone project for years to come with the STONETECH® Countertop Warranty.

A **fully trained, certified professional** will properly apply STONETECH BulletProof® Sealer to your countertops.

STONETECH BulletProof Sealer was engineered specifically for natural stone and represents a new standard in stain protection.

It is a **water-based solution** that leaves your home free of solvent-based chemicals.

The STONETECH Countertop Warranty Program provides your natural stone project with maximum protection from common household stains.

Guaranteed Protection from Industry Experts
