For over 50 years, countless customers have chosen Construction Resources, and our family of companies, as the leading design authority for their home remodeling and building projects.

We were awarded a Modern Luxury Interiors Atlanta 2020, 2021, 2022, 2023, & 2024 Best of Design award, recognizing us as the area’s best All Encompassing Design Destination for our vast portfolio of products and services.

Whether you are working on designing a new kitchen, bathroom or outdoor space, our design consultants, product experts and project managers will assist you through every step of the selection process. Our design centers and showrooms have inspiring displays that feature the latest in design, function and technology from more than 60 top brands across 9 product categories.

Our unmatched selection of products makes Construction Resources the premier home product supplier in the Southeast and beyond.

Through our consultation process, we will help bring your plans into focus by guiding you through the full scope of your project, from start to finish.

- Education and review of the product options available
- Selection of products, including material specifications
- Coordination of measurement and quoting
- Scheduling of installation
- Timely delivery

Designing your dream space is an exciting experience, but we know it can feel overwhelming at times, so we are here to ensure the selection process is easy and enjoyable. Crafting home designs is our expertise, and at Construction Resources, we are dedicated to making your project a reality.

APPLIANCES

CR displays the largest selection of premium brands in the market. Our sales consultants will assist in the selection process to identify the product that best satisfies our clients’ vision. Our elite installation teams assure your product has the fit and finish to complete your dream kitchen. Our goal is to provide an exceptional experience in your kitchen project.

FIREPLACES

A fireplace is the heart of the home and CR offers wood burning, gas direct vent, gas vent free, outdoor, and electric fireplaces to compliment your home. Our professional installation teams assure you have a proper fireplace installation that will provide years of warmth and enjoyment.

COUNTERTOPS

Our vast material selection includes exquisite natural stones, durable quartz, adaptable solid surface and modern ultra-compact surfaces from top manufacturers. We pride ourselves in delivering quality materials that are cut in our state-of-the-art fabrication facilities and installed by certified professionals. We have completed countless installations and have the knowledge to recommend the ideal surface for your project.

GARAGE DOORS

Garage doors have evolved from a simple entry point into the home to a major design statement on the façade of the home. CR carries a large selection of designs to compliment the architectural design of your home. We carry multiple brands as well as our own fabrication shop to produce custom doors.

GLASS & MIRROR

We have many large glass and mirror facilities that have the expertise and capability to cut and install these materials into a project of any size. Whether you’re in need of semi-frameless glass for a shower enclosure or a custom full-size mirror, our design consultants can help meet your specification needs.

TILE & FLOORING

Explore a world of flooring options for your home, from plush carpets in bedrooms to stylish tiles in kitchens and elegant wood in living areas. We offer you the most respected floor covering brand names in the industry so getting the look, feel and style you want is easy.

LIGHTING

Nothing sets the tone of your home’s interior better than the lighting you choose for each room. CR offers the latest trends and selections of traditional, transitional and modern design. Our design consultants can help you find the right fixtures to brighten your space.

OUTDOOR LIVING

Building a good-looking and useful outdoor living space adds great value to your home. Form another place to gather with family and friends from our selection of appliances, surfaces and more. Your ideal backyard living area is within reach.

SINKS & FAUCETS

Essential to any kitchen or bath, plumbing fixtures bring functionality and style together. CR presents a comprehensive range of sinks and faucets, sourced from top manufacturers. Elevate your kitchen or bath project with our exquisite selections, ensuring the perfect blend of form and function.

FIREPLACES

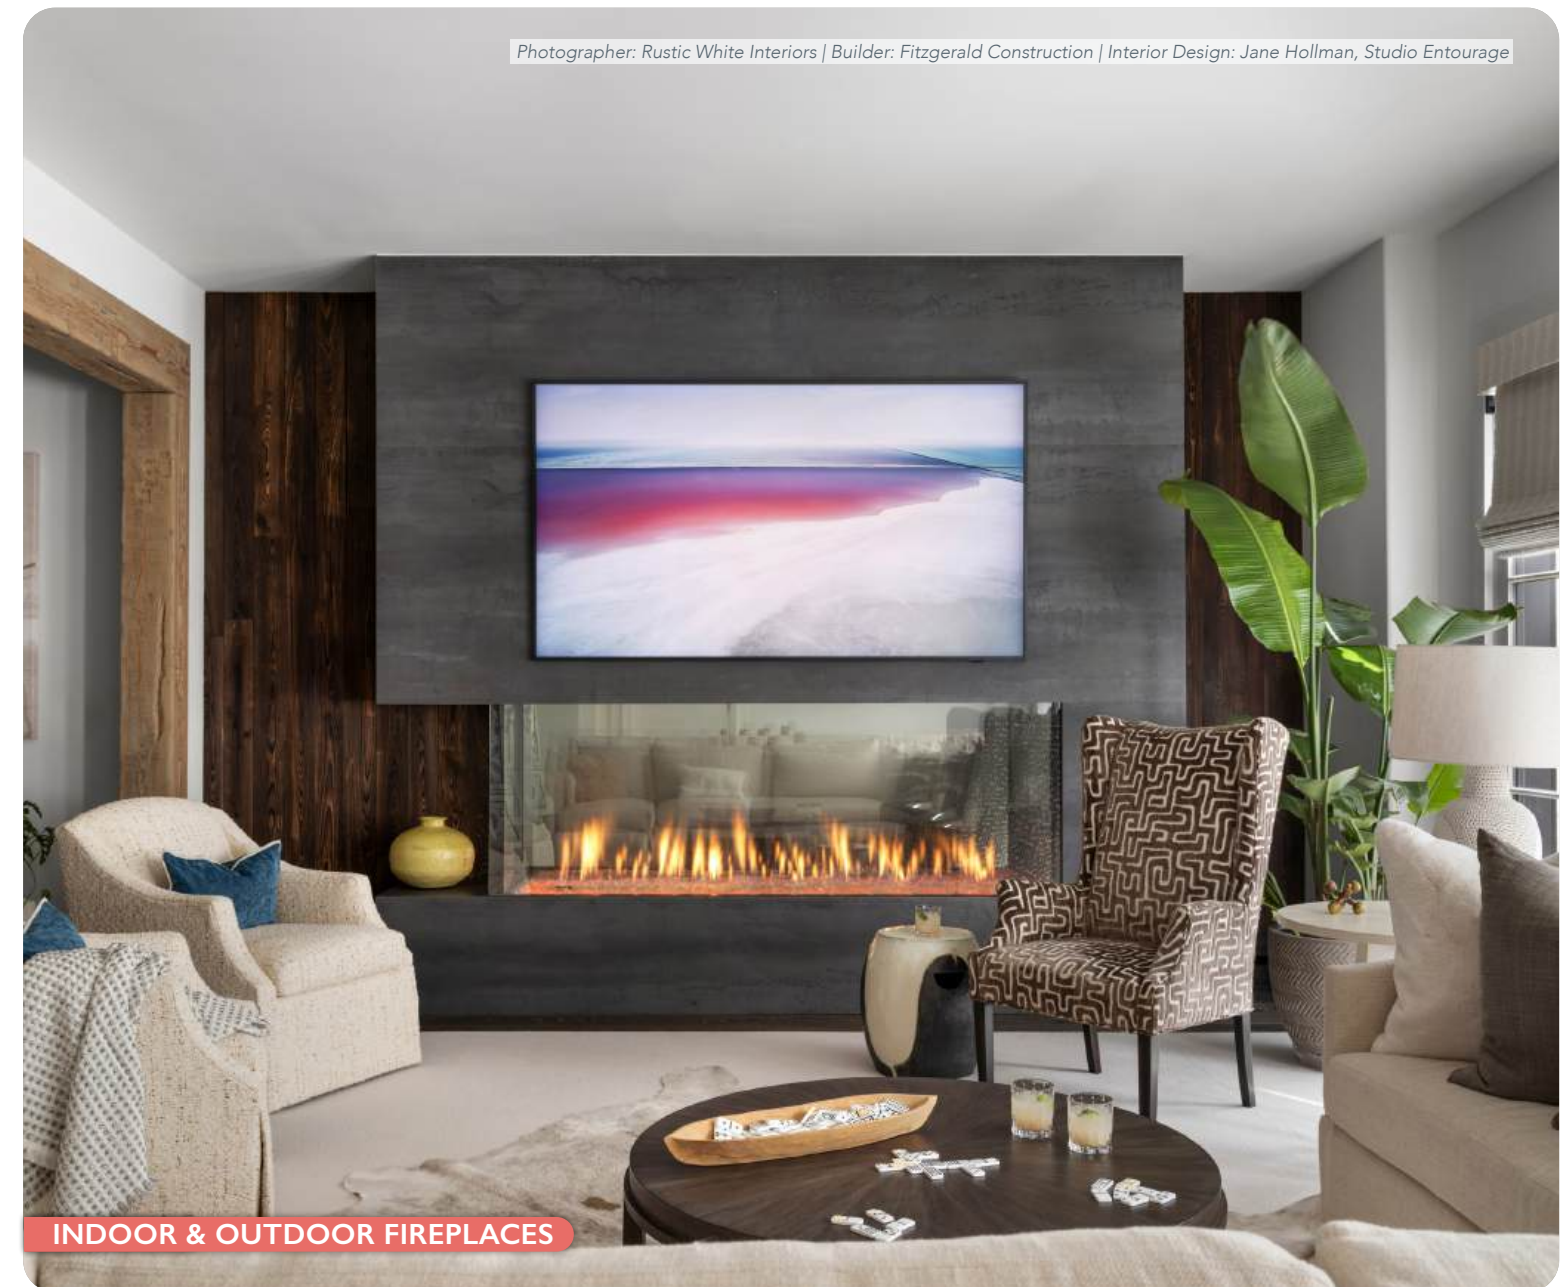

Fireplaces are a great focal point for a living room, luxurious master bedroom or outdoor living area. Whatever the location for this cozy addition, CR offers the best possible products and most professional installation services. Let our trained staff help you enjoy the comfort of a fireplace in your home by choosing from one of our many options, right down to the design of the surround and hearth.

WOOD-BURNING FIREPLACES offer the ambiance and crackling sound of burning wood and are available in a variety of sizes to fit the scale of any space.

GAS FIREPLACES add ambiance and warmth with the flip of a switch and a clean and efficient option for your home.

ELECTRIC FIREPLACES are sleek and offer installation flexibility as they do not require a chimney or venting system.

OUTDOOR FIREPLACES are the ultimate gathering spot and are available in wood-burning units for patios and gas-burning for decks and porches.
